

Strange Sentences

Here are some English sentences with homophones:

I want to be a bee and eat honey all day.
Buy some shoes for the bear with bare feet.

Can you make sentences with these? Write them right! ☺

1. ate / eight
2. blew / blue
3. sent / cent
4. two / too
5. road / rode

Here are some French words. If you say them in English, they are homophones. Write sentences with both words. The sentences don't have to make too much sense!

Example : haut / salut = *high / hi*
I always say hi to high buildings!

1. voir / mer = /

2. savoir/ non = /

3. quatre / pour = /

4. boîte / pouvoir (v.) = /

Mini 2 Homophones Student

Can you think of examples where words sound the same in French, but not in English? Write the English meaning.

Example

peux / peu = can / little

..... / = /

..... / = /

..... / = /

..... / = /

..... / = /

Joke question: What is black and white and red all over?
